

## Maxi ATF III

(Automatic Transmission Fluid Dexron III)

Maxi ATF III premium automatic transmission fluid formulated to meet the requirements of modern automatic, power shift transmissions and power steering applications. Its advanced formula offers excellent lubrication and heat resistance, ensuring smooth shifting and prolonged transmission life.

### KEY BENEFITS & FEATURES

- Superior lubrication properties
- Smooth-shifting performance
- Enhanced transmission durability
- Reduces friction and wear

### APPLICATIONS

Automatic transmission and hydraulic systems where a fluid type of Dexron III is required/specified, automatic and power shift transmission and torque converters of passenger cars, light commercial vehicles and specific kinds of heavy equipment.

### SPECIFICATIONS & APPROVALS

Meets specifications requirements of all Ford and General Motors automatic transmission except Dexron VI, Ford Mercon V and Type F fluid.

### PHYSICAL DATA

Density, kg/li	0.84
Viscosity @ 40°C, cSt	36.19
Viscosity @ 100°C, cSt	7.14
Viscosity Index	165
Flash Point, °C	214
Appearance	Clear & Bright
Color	Red
Odor	Characteristic

### HEALTH & SAFETY INFORMATION

In case of skin contact, rinse immediately with soap and running water. Maxi ATF III is not likely to cause any health risk when applied correctly in an appropriate setting. Keep out of reach of children.

### ENVIRONMENTAL RESPONSIBILITY

Take used oil to authorized and accredited government waste treaters. Do not pour into soil or drains. Drums and pails are recyclable.

### PACKAGING

- ☐ 18 Liter (Pail)
- ☐ 200 Liter (Drum)

### ADDITIONAL INFORMATION

Any information not covered here can be acquired from authorized Maxilube sales representatives.
